The Metro Atlanta Chamber, through its members, strives to make metro Atlanta the best place to work and live, and make it a better place for our children to thrive.

Forward Atlanta supports new initiatives and big ideas that will boost the Atlanta region. We were hit especially hard in the most recent economic downturn. The initiatives of this Forward Atlanta campaign, 2013-2017, directly address these areas — job growth and quality of life —'with new ideas and new thinking about how to jump-start our economy, together.

INITIATIVE ONE

Build job creation engines to start, grow and recruit companies in our key areas of strength while expanding into new sub-clusters to jump-start short and mid-term job growth. Our goal through business recruitment and assisting companies with growth is to generate prospects, assist 90 new and existing companies to create 7,500 jobs.
